August 2010

Dear Parents,

As we begin to prepare for the 2010-11 school year, we would like to ask for your help in serving you the best way possible. Over the years, it has come to our attention that many parents drive their children to school, rather than having them ride the bus. In an effort to do the bus runs more efficiently, it would help us to know who will or who will not be riding the bus. We would also like you to know that if at any time your situation changes, all you need to do is notify the school and the bus company of the change, and your child will then be added to the bus schedule.

If you have any questions please feel free to call the school office (860-889-4174). Please fill out the bottom of this letter and return it to the school.

DETACH AND RETURN TO THE SCHOOL OFFICE BY MONDAY, AUGUST 23.
